Version 1.0

The launching of the boats by crane will happen on Monday August 9th between 12:00 - 20:00 as well as Tuesday August 10, between 08:00 - 12:00. If you need the crane outside these times you have to contact the Regatta management on +45 91 54 02 57, or the Bureau by phone. It is also possible to text these numbers.

After launching the boats, Struer Sejlklub will be of service to tow the boats to Bridge 14, where the boats will be situated during the event – remember the colour markings shall be respected.

Measurement of sails and boats:

Prior to the launching of the boats, the sails have to be handed in for measurements in the tent at the Bureau, where the crewmembers also need to register. One member from each crew has to help packaging the sail after the measurement.

Before the launch of the boat, the helmsman has to secure the handed-out signs, mounted on each side of the boat, 2.5 m from the stern – or after appointment by the Regatta management.

The eventual handed-out flags or pennants shall be mounted at the stem of the boat, when the boat lie at Bridge 14 from the start of the event to the end of the event.

Trailers shall, after the launch of the boat and measurement of the sails, be placed on a certain area. The car with an empty trailer, can temporarily be driven to the parking place before driving to the trailer parking place (see attached map).

Participation in the TUNE-UP Sailings:

It will be possible to participate in the TUNE-UP sailings Tuesday afternoon.

It is not necessary to register for this, but please notify your participation in the Bureau.

Remember, you have to be ready for the opening ceremony which begins at 16:00, at the clubhouse/Bureau.

The bicycle race - Post Danmark Rundt:

The start of the bicycle race, Post Danmark Rundt, will take place Tuesday August 10th at 13:00 by "Folkets Hus" in Struer.

There will be a build up with entertainment and presentation of the teams from 11:00, also at "Folkets hus". In the periode from 12:30-13:30 the traffic through the city and the regatta event area be regulated and all instructions shall be complied. The participants to the world

championship have to be aware of this and is strongly suggested to arrive before 12:00 or after 14:00, to avoid any traffic problems.

Excursions for the interested and their relatives etc.

As described in the programme, we will attempt to arrange excursions. Contact the Regatta management by telephone or in the Bureau to sign up for these. It will be published on the event-website, which excursions will end up being arranged, before the regatta begins.

Experience some of the excursions available, such as Western Jutland's Fjordculture workshop at the harbour, the open-air museum 'Hjerl Hede', a trip to Holstebro Museum and the Bang & Olufsen Museum in Struer.

Sansefestival (The festival of senses):

The Sansefestival will happen on Saturday August 14th, 2021 between 10:00 – 16:00, with displays and taste samples of food and drinks. This will happen on the parking place shown on the attached map, where Struer Sejlklub also will be present with a tent where it is possible to watch the races with a commentator, as well as enjoying various taste samples.

Trips with the old Venø-Ferry

As described in the programme, it will be possible to experience the races up close, as the old Venø-Ferry will take you to the racing area. Contact the Bureau to book tickets. The place of departure will be Bridge 1, as shown in the attached map.

Boat pick-up:

There will in connection to the boat pickup at the last day of the event, Saturday August 14th, 2021, be two cranes available in the commercial harbour (cf. the attached map). We urge the sailors to quickly go and get their trailers to the pick-up area, so the boat can be placed in the trailer faster and driven to the trailer parking as shown in the attached map.

The boats will be picked up in the order of the trailers ready to receive them at the pick-up area. The 15 best placed boats after the races on Friday, is encouraged to place their trailers in the pick-up area already by Friday afternoon, so they are ready to be picked up faster on Saturday. It will be possible to shower the boat with freshwater directly after pick-up (cf. attached map). It is important that all instructions given by the Regatta management is followed, and that the order to ensure a faster pick-up of the boats. After the pick-up, the boats shall be moved to the areas south of the clubhouse, as shown in the attached map.
